Greetings from the Goodhue County Fair Board!

Come to the Goodhue County Fair August 10-14, 2010. There will be something for everyone at the fair. We have new attractions and special events throughout the week. We have free daily entertainment, a special day to recognize kids in Day Care, senior citizen recognition day, and great grandstand shows. The Goodhue County 4-H Program also provides many 4-H activities, exhibits and judging events throughout the week. For more details about the fair, check your local newspaper or visit our website at www.goodhuecountyfair.com.

PUBLIC NOTICE TO ALL CONCERNED

1. While the greatest possible care will be executed by the management to protect patrons of the Goodhue County Fair, each individual will be held personally responsible for his or her actions, and the management will not be accountable or responsible for any injury.
2. The Goodhue County Agricultural Society & Mechanics Institute, Inc. management assumes no liability for loss or damage to any property to the concessionaire, exhibitor or patron, due to theft, fire, tornado, weather conditions or other causes.
3. The Directors of the Goodhue County Fair reserve the right to refuse any offensive or obscene exhibits which in the judgement of the Fair Board would be offensive to the general public.

GENERAL RULES AND REGULATIONS

Open class exhibits, *except Quilts*, will be accepted **Tuesday, August 10th, from 11:00 a.m. to 7:00 p.m. Quilts should be entered on Monday, August 9th, from 2 - 6 p.m.**

Stock and articles must be entered in the name of the bona fide owners, and grain, vegetables, fruit, dairy products and domestic manufactures must have been raised or made by the exhibitors thereof during the year since the last county fair.

Entries from Minnesota residents only.

Every article in competition must correspond in number and description with the premium list and be in its proper class, in order to obtain premiums. No change or alteration will be permitted after the books are placed in the hands of the judges. No exhibitor shall be allowed to make more than one entry in any one lot, except where department conditions differ, and all members of the same family shall constitute a single exhibitor except in junior or 4-H classes.

No entry can be shown in more than one class.

Entry tags must be attached to the entry when it is being judged. Each entry tag shall be securely attached to the entry itself, or receptacle in which it is shown. Entries for premiums in the individual lots of grains, field seed, fruits and forage shall not be permitted to appear again as parts of a collection.

No articles or animal shall compete for more than one premium except livestock competing in teams or groups. This rule shall not debar sweepstakes or special premium competition for which no entry is required.

All entries must be made on or before the first day of the fair.

No animal or article will be assigned a place on the grounds until entry shall have been made.

All entries are to remain on exhibition until **Saturday, August 14th, at 8:00 p.m.**, except livestock, which may be removed at 4:00 p.m. Any exhibitor who removes an exhibit prior to time stated on the last day of the fair will thereby forfeit any premium earned on said exhibit. At the discretion of the superintendent, future exhibition may be prohibited.

Grain and field seed shall be shown in clean bags, dishes or baskets and unless otherwise designated, shall consist of one peck by measure, in standard receptacles.

Ample accommodations will be provided for all collections. No collection shall be allowed space, which is not neatly arranged and fully labeled. A duplication of varieties in any collection shall disqualify the collection from prize money. Standard varieties will be given preference.

Those in charge of different divisions shall conveniently group each lot in the various classes.

Ribbons or cards shall designate the awards or entries as follows: First premiums-blue; second-red; third-white; sweepstakes-purple. No sweepstakes will be awarded unless there is competition.

All awards shall be made by comparison of the individual merits of the entries.

Any interference by exhibitors to influence or dictate the decision of the judges will be sufficient cause for excluding his

or her entry from the competition, and shall be reported to the secretary through the superintendent of the division.

No appeal of the decision of the awards committee shall be allowed. An exhibitor may make protest to the superintendent of the division at the time of the award who may then require the judges to give reasons for such placing.

Premiums will not be awarded on articles or animals of inferior merit regardless of the number in competition for a premium. The judge may award no premium, second or first premium as merit may warrant, stating the reason in writing when requested.

Where a sum of premium money is to be paid out pro rata, the apportionment shall be according to the merits of the individual exhibits.

Special premiums may be offered by interested persons for entries that conform to the general classification of the fair and the association.

If the receipts prove insufficient to meet all demands, the society reserves the rights to first pay all bona fide expenses of the fair and pay premiums with the balance on hand.

Premium checks shall be called for at the division superintendent's office the last day of the fair. If an error has been made such error could be corrected then while the entry is still in place at the fair.

All checks not cashed before October 1 shall be forfeited to the society.

No persons will be permitted to distribute advertising material on the grounds except from their place of business or exhibit. The tacking or posting of any advertisements, bills, cards, etc., other than within the space occupied by exhibitors is strictly prohibited. The distribution of handbills, flyers, heralds, etc., will not under any circumstances be permitted. Anyone violating this rule will be liable to fine or expulsion from the grounds as the board may elect.

Any person or group that conducts a protest action must limit its activity to the location designated by the Fair Board. No entrances or exits can be obstructed or limited in any way. The designated location is the southwest corner of the fairgrounds.

The management will consider it a kindness if persons will report any mistreatment or extortion practices by any employee of the fair or concessionaire. Please use personal caution.

The fairboard also asks for immediate information regarding any questionable or demoralizing activity. Do not wait until the fair is over to make complaint; report immediately.

The fairboard reserves the right to move or remove any exhibits or displays deemed in poor taste for public display.

It is requested that no loud speaker system be set up and operated by space exhibitors thereby causing a hardship on other parties showing their goods and wares. Any speaker systems found to be interfering with the rights of others will be ordered turned down or off by the management.

It is the aim of the management to have a moral, clean fair, which will command the support of the entire community.

The fair reserves the right to amend or add to these rules if in judgment it may deem advisable.

LIVESTOCK EXHIBITION RULES

Livestock Sanitary Regulations-Animals exhibited must comply with all regulations of the State Livestock Sanitary Board. See your local veterinarian for details well in advance of the fair.

Health certificates must be presented to the veterinarian in charge at the fair before unloading animals.

Exhibitors of livestock may be required by the secretary to make affidavit that such livestock has not been exposed to contagious or infectious disease within the last three months.

Exhibitors must keep their livestock, stalls and pens in good, neat condition and open for inspection from 10:00 a.m. to 10:00 p.m.

Exhibitors of livestock must inform themselves when their stock will be judged. Stock must be in the show ring promptly after being called. All livestock must be entered and shown by their owner.

The individual or firms exhibiting them must own sires, dams and groups entered as such.

All animals under exhibition shall be shown to the judges under the supervision of the respective superintendent.

All classes of livestock call for registered stock unless otherwise stated. All sheep should be accompanied by certificate of registry showing that the animal is properly registered in the flock book, which is recognized as being authentic for the breed. The papers must be available to the superintendent upon request. Purebred animals under one year of age should not be required to show certificates of registry, but the exhibitor of such animal may be required to give a certified statement that both sire and dam of such animal are properly registered purebreds.

A 4-H or FFA animal will not be allowed to show in 4-H or FFA class and then show in the open class. If 4-H or FFA exhibitors wish to show in open class, they must enter another animal. 4-H and FFA dairy animals may be shown in the Junior Holstein Show, since no county premiums are paid in that show.

All animals must be brought into the ring for judging under the control of the showman. Judges should give their reasons for awards and explain to the lower placing entries why their entries did not qualify for higher placing.

Special attention to all livestock exhibitors: No exhibitors will be allowed to stay overnight on the grounds. Please contact the fair office with questions. Anyone found on the grounds following closing may be escorted from the grounds.
